Session 1 — "IDEA/IEPs 101"

"IDEA/IEPs 101" is not just for beginners! Laviano and Swanson will explain from their perspectives what parents need to know about their children's IEPs.

Session 2 — "They Say, You Say"

Laviano and Swanson role-play what school administrators might say at an IEP meeting and how parents could respond.

The presenters will answer individual questions following the second session as time allows.
